We, the undersigned organizations, condemn **the selective repression of Students for Justice in Palestine (SJP)** at the University of Pittsburgh. As the **only Palestinian cultural and advocacy organization on campus**—led by **Palestinian, Arab, and Muslim students**—SJP is being unfairly targeted with **heightened scrutiny and politically driven disciplinary actions**.

In a **blatant act of political suppression**, the University has targeted SJP with proposed sanctions that include **effective suspension** through May 2025, as well as probation through December 2025. Meanwhile, multiple registered pro-Israel advocacy organizations continue to operate without interference, **despite consistent harassment of SJP and its members**. One of these organizations, Students Supporting Israel, has repeatedly collaborated with **Betar USA**—an organization unaffiliated with the university that **issued bomb threats against SJP's general body** in November 2024. By **failing to take action in response to these threats**, the university has **effectively emboldened Betar**; the group has since provided the Trump administration with a list of international students, **targeting them for deportation due to their alleged pro-Palestine stance**.

From the time SJP leadership first met with Student Conduct staff on January 22, they were given **just six days to submit their evidence and witnesses**, despite the university having built its case against them **for over a month and a half**. Student Conduct staff also demanded that SJP leadership **submit in advance all questions they planned to ask during the hearing**, a directive that was later **retracted** upon questioning by SJP representatives—raising serious concerns about the fairness and transparency of the disciplinary process.

This latest act of repression is only the latest in a wave of disciplinary measures taken by University of Pittsburgh administration, including **surveilling, defunding, and relocating** SJP events—all justified by vague and inconsistently applied policies. These actions not only **disproportionately penalize students of color** for speaking out against apartheid and state violence but also set a dangerous precedent that will **erode the free speech and organizational rights of all Pitt affiliates**.

In light of the university administration's blatant attempt to silence pro-Palestine voices, we demand:

1.
The complete dismissal of all disciplinary proceedings against SJP.
2.
Transparency in university conduct policies and equitable application of these policies.
3.
An end to the University's suppression of Palestinian advocacy on campus.

We refuse to allow this university to **silence marginalized voices**. Advocacy for the rights of the Palestinian people is **not** a crime.

Signed,
